

Global Studies Minor and Certificate

Choose from over 80 courses to customize a plan where you can discover your major field of study within its global context.

Gain marketable skills

Learn how to communicate across cultures, think critically from a global perspective, and make ethical judgments on contemporary issues.

Boost your résumé

A recent global study by The British Council showed that over a third of employers actively screen for intercultural skills during the hiring process.

Explore global opportunities

This innovative curriculum will introduce you to new academic and professional possibilities.

Create an interdisciplinary plan

Explore courses in 15 departments across the UTA campus to complement your interests and career path.

TAKE YOUR DEGREE GLOBAL

The 21st-century workforce needs culturally-competent and globally-minded mavericks. Set yourself apart from the pack with a minor or certificate in Global Studies.
